Dear Parents/Caregivers

At today’s middle campus assembly we officially launched: Norwood Morialta High School World Challenge expedition to Cambodia 2017

Your child has expressed interest in the World Challenge program which offers students the opportunity to plan, fund and ultimately lead their own 4 week expedition to Cambodia in November 2017. This is a fantastic opportunity for students looking to do something meaningful with their peer group and have the adventure of a lifetime!

This program will be managed by World Challenge, a pioneering educational organisation with 25 years of experience in delivering personal development expeditions for students. The expedition to Cambodia is preceded by a training and preparation program, during which students play a major role in planning their own itinerary, which will include project work in a local community, a challenging trek and rest and relaxation. Students are also supported in setting and achieving individual and team fundraising goals to help cover the cost of the expedition program, where on average, students raise over half of the total program cost.

I would like to invite you and your son/daughter to a presentation delivered by a member of the World Challenge team who will discuss the benefits of the program, the fundraising support and safety back-up they provide, and how they deliver a fun, rewarding, and safe experience.

Date: Wednesday 15 June 2016
Time: 6:00 pm
