Dear Parents/Caregivers

Re: Year 9 Summative Assessment Excursion

As part of Year 9 Film and Special Effects Digital Media, students will be required to attend a local excursion to complete their Summative Assessment.

This will involve travelling by school bus to the Morialta Conservation Park to take photos.

The class will be accompanied by another teacher, and while in the Conservation Park, we will be moving as one group to various locations. At the Conservation Park, we aim to take photos at the First Falls as well as at the picnic area.

The following dates are schedule for the classes below:
- 9 Film & SFXC - Tuesday 26th July lesson 1 - 3.
- 9 Film & SFXD - Thursday 28th July, end of Lunch, lesson 7 - 8.
- 9 Digital Media - Monday 1st August lesson 4 - 6.

There is no cost involved and the excursion will take place in class time, so no other lessons will be missed.
