Dear Parent/Caregiver

Re: 2016 MASA Schools Mathematics Competition.

Your child has expressed an interest in taking part in the 2016 MASA Schools Mathematics Competition sponsored by the Society of Petroleum Engineers.

The aim of the competition is to encourage interested and motivated students to enjoy the challenge of non-standard questions. While some of the questions require extended knowledge and responses, the new format of the 15 question paper aims to give a wide range of students the opportunity to achieve success.

There are three papers. A junior paper for students in Year 8, an intermediate paper for students in Years 9 and 10 and a senior paper for students in Years 11 and 12.

DATE AND ENTRY FEE
The competition date is Wednesday 16 March 2016 (Week 7).
The entry fee is $2.70 per student.

Please return the section below with payment to the pay station as soon as possible. The school will then register each student for the competition.

Registrations close on Friday 26 February (Week 4).

Yours sincerely

Jade Clifford             Jacqui van Ruiten
Mathematics Coordinator          Principal
