10th August 2016

Dear Parent/Caregiver

Re: Year 8 Humanities - Geography Excursion
Morialta Conservation Park

As part of the year 8 Geography curriculum, students are provided with the opportunity to take part in a Humanities excursion to Morialta Conservation Park, where we will be applying in-class knowledge in a practical setting. The excursion allows for students to understand the real-world applications of the topics covered in class.

On Monday 22nd August, students will leave lesson 3 at 10:25am in order to change into their P.E. uniforms, collect their recess, lunch and drink bottle. They will then need to meet their Humanities teachers outside the front office at 10:40am and will walk together as a group to Morialta Conservation Park. Once we arrive, students will have their recess. After completion of the Geography activity, the students will have lunch at Morialta Conservation Park and head back to school, to return to lesson 7 & 8. Students are required to change back into their school uniforms upon arrival to school.

Due to the nature of this excursion, we will need to cancel if there are severe weather conditions. Students are also asked to dress appropriately, ensuring they bring an umbrella and jumper for cooler conditions or a hat and sunscreen in warmer conditions. During the day students will be required to bring a packed lunch and recess from home along with a minimum of 2 litres of drinking water due to the physical nature of the activity planned at the Morialta Conservation Park. There are no facilities for students to purchase refreshments or lunch.

We request that the attached Consent form for Excursion is completed and returned to your child’s Humanities teacher by Wednesday 17th August.

If you have any questions or concerns about the physical nature of the activities, please contact the Humanities teacher of your child, as arrangements can be made to ensure everyone benefits from this engaging experience.

Yours sincerely

Merima Ganibegovic & Linda Below
