Dear Parent/Caregiver

Re: English and Humanities Excursion
Citizenship and Government Parliament Excursion

As part of the year 8 Humanities and English integrated unit, your child has the opportunity to participate in an excursion into the city where students will visit Government House, have a guided tour of North Terrace and be inspired by the pieces at the Art Gallery of South Australia. This excursion will enable students to apply in-class knowledge in a practical setting.

On Tuesday, 25th October students will check in with PLG teacher before meeting at the front of the school at 8:30am where we will catch a private bus to the city. Students are required to bring their water bottle due to the physical nature of activities planned, recess and lunch or if they wish they can bring money to purchase any snacks or food at the Myer Centre.

During our visit of Government House students will learn about the roles, procedures and space itself to expand upon the content covered within their Humanities class. At the Art Gallery students will be given the opportunity to develop their creative writing skills as we look at the artworks displayed.

Following the completion of the excursion, we will return to school by our private bus in time for dismissal at 3:10pm.

Students are required to wear the correct school uniform and should bring an umbrella and jumper in cooler conditions or a hat and sunscreen in warmer conditions.

The excursion will cost $10 which will cover all transport and entry fees. We ask that students return the consent form signed, and the payment to Pay Station by Monday 24th October.

Please contact me at school on 365 0455 if you need more information.

Yours sincerely

Linda Below
