12 February 2016

Dear Parent/Caregiver

As part of the Stage 2 Tourism and Stage 2 Geography courses students will be demonstrating their practical research skills by attending and evaluating the impacts of a special event.

Students have the opportunity to attend the 2016 Clipsal 500 motorsport festival on Thursday, 3 March at Victoria Park Race Course.

The cost of the excursion is $10.00 which includes access to the V8 Supercar Paddock and the after race concert. Payment can be made to Ms Kearsley directly by Monday 29 February.

Students will meet Ms Kearsley at Gate 10 located on Fullarton Road at 9.30am on the day. The class will work in groups and individually to carry out interviews and surveys on patrons and employees of the event, in addition to recording observations of sustainable management strategies.

Students are required to wear the correct school uniform. They may bring a packed lunch or purchase food and drink at the event. Students are also required to bring pens, clipboard, paper, surveys and interview questions and a may choose to bring a camera to record observations.

The excursion finishes at 2.00pm. Students will be dismissed at the event and may attend the after race concert independently as part of the ticket cost.

Yours sincerely

Laura Kearsley
