Dear Parent / Caregiver

Re: Plan for the planet project talk by Dr Robert Crocker –expert on Sustainability
Friday 12 May – 11:15am to 12:30pm on the Middle Campus.

In 2016 NMHS was selected to represent SA in the Young Australians' Plan for the Planet Project. The purpose of this exciting program is to support 12-15 students in their research and development of environmental strategies that will ensure a positive future. This program includes on-line training workshop, seminars and collaborative activities for participants. This year it is run 'off-line' program with some possible negotiation for some in- school sessions. The project will conclude in July 2017 culminating in our students presenting their recommendations to the Prime Minister.

An overview of the program is as follows:

Phase 1: November – December 2016 (Calibration and Orientation);
Phase 2: January – February 2017 (Discovery);
Phase 3: March – April 2017 (National Plan Build);
Phase 4: May – June 2017 (Combine National Plan); and
Phase 5: July -August 2017 (Prime Minister's Presentation)

Our school has organised a talk by Dr Robert Crocker for Year 10's and Young Australians' Plan for the Planet Program. Your student has been involved in this project and is requested to attend an in-school talk on Sustainability.

This presentation will take place on Friday 12 May in lesson 3 and 4 and will be held on the Middle Campus. Robert has an Oxford doctorate (DPhil) in Modern History and teaches and research in the field of sustainable, design, history and theory. His research focuses broadly on consumption, sustainability and design. Robert has great experience, writings and connections in the wider topic of sustainability.

Students will travel to the Middle Campus and back to the Senior Campus by public transport.

Expected Departure time: 10:45am

Expected arrival time: 12:45pm. Student will need to pay for a bus ticket.
