Dear Parent/Caregiver

Re: Year 8 Geography Excursion – Morialta Conservation Park Project
Friday 26 May 2017.

As part of Year 8 Geography unit 'Landforms and Landscapes', Ms. Musolino and Miss Stewart will be taking their class to the Morialta Conservation Park to explore the national park on Friday 26 May.

We have been working collaboratively with the Morialta Conservation Park rangers who will meet with us to deliver information to the students about the landscape and landforms within the park, which will provide students with information they can use towards their end of term project.

We aim for students to use this beautiful setting we have at our doorstep to explore the Year 8 Geography curriculum. Students will learn about topics such as: the history of the landscape and landforms, human impact on the environment, natural hazards, Indigenous Peoples, flora and fauna and rivers and creeks. The final project created by students will be presented back to the park rangers at the end of the unit and some of their information will be displayed in the Morialta Conservation Park as a resource for tourists.

We are very excited about the term ahead and would like the following consent form returned by Thursday 18 May.

Arrangements:

- Date: Friday 26 May.
- Time: From 8:30am – 10.40am
- Travel: Students will travel by school bus to and from Morialta Park. Teachers will be in attendance at all times.
- Venue: Morialta Conservation Park, Stradbroke Road.
- Uniform: students can wear their PE uniform while attending the excursion; however, they will need to change into the correct school uniform when they return back to school.
- Cost: Nil - there will be no cost involved as this project is part of the Year 8 geography curriculum
- Raincoat/Umbrella – in the event of wet weather, please pack a raincoat and/or umbrella.

If you have any questions please contact the school on 8365 0455.

Yours sincerely

Therese Musolino / Katherine Stewart
