Dear Parents/Caregiver

Re: Movie "Trash" rated M

As part of our Year 8 English course, students have read the book *Trash*, which has been our novel study unit. As a follow-up to reading the novel, our class is going to be watching the movie *Trash* (2014). The movie is rated M, and because it is true to the time period and social situation in which it is set, it contains low level profanity and violence.

We believe that showing your son or daughter the film *Trash* will enable them to benefit from another medium as a resource in their major assessment task for the unit.

In order for your student to participate in this class activity, consent is required.

Please complete and return the form below to give your child consent to watch the movie *Trash*. If you choose not to allow your student to participate they will be given an alternate activity in another classroom.

Please feel free to contact me with any questions.

Yours sincerely
