Dear Parent / Caregiver

Re: White Card Industry Training

Your child is currently enrolled in VET Electro technology and as a consequence needs to obtain a White Card in order to enhance pathway opportunities within the Construction and Building Industries. This training will take place on **Wednesday 29 March 2017 (8:15 am to 2:45 pm)** at Norwood Morialta High School – senior campus. Students will miss lessons on this day and therefore must catch up on all missed work.

A Construction Industry White Card is needed for access to building sites, including work experience and structured workplace learning. This course delivered by Access Training Centre, is a nationally-recognised Workplace Health and Safety (WHS) qualification, allowing White Card holders to work on building sites across Australia.

The course will support students to:

- Identify WHS legislative and duty of care requirements; safe work practices.
- Identify construction hazards and control measures; risk management principles.
- Identify WHS communication and reporting processes; role of WHS personnel; safety signs and symbols.
- Identify WHS incident response procedures; personal protection and fire safety equipment.

Cost of this training is \$120.00 to be paid to the Paystation by the 15th March 2017.

Please contact the school if you require any further clarification.

Yours sincerely

Menelaos Paraskevas
Design Technology Teacher
