Dear Parent / Caregiver

**Re: Year 10 SACE Parent Information Session at 6:30pm on
Tuesday 22 August Resource Centre, Middle Campus**

This term our students have participated in a range of activities to support them in their selection of 2018 subjects. We believe that course counselling for all secondary students is very important in shaping future pathways and links between school, further study options and employment. This is particularly the case for Year 10 students as they move from the International Baccalaureate Middle Years Program to the South Australian Certificate of Education (SACE) and are exposed to a broader range of subject options and choice requirements in the senior school.

At Norwood Morialta High School we support all students to successfully complete their SACE and pursue their preferred pathway beyond school. To assist parents in gaining an understanding of the SACE pattern and senior school subjects we would like to extend an invitation to parents to attend our SACE Parent Information session on Tuesday 22 August from 6:30pm – 7:15pm in the Middle Campus Resource Centre. This important session will include a brief presentation of the SACE curriculum framework and an opportunity for parents to clarify questions related to the SACE requirements, Vocational Education and Training options and University pathways (including ATAR and bonus points).

We look forward to meeting with you on Tuesday 22 August.

Yours sincerely

Jacqui van Ruiten
Principal
