NORWOOD MORIALTA
HIGH SCHOOL

Dear Parents /Caregivers

Re: Year 10 Christie Walk Tour excursion, Wednesday, 14 February 2018

As a part of our Year 10 Environmental science course, students will study Sustainability.

In the heart of the city of Adelaide there is a small community of 27 homes and gardens on 2000 sq m . It is named Christie Walk, to honour the memory of Scott Christie, an environmental activist. The development combines many ecologically sustainable and community enhancing features. Students will undertake a tour of the area to look at sustainability practices in a real world context.
