## Background

The Norwood Morialta High School is a dual campus high school of 1400 students (years 8 to 13) and is located in the eastern suburbs of Adelaide. The school is one of the largest secondary schools and has one of the best international environments in South Australia. Our core values are:

### ***Diversity, Distinction and Respect***

We offer a high quality teaching and learning environment. With students from over 50 different cultural & linguistic backgrounds, we can offer not just an Australian experience but a truly international one.

Our international programs include excellent English as a Second Language or Dialect (EALD) and Language courses in Chinese, German, Greek, Italian and Japanese. The school is noted for high academic success and high entry to university.

The Norwood Morialta High School is an internationally accredited school by the Council of International Schools (CIS) organisation. It signals to educators and parents that we are committed to continuous improvement and that we put ourselves up for scrutiny by a team of international educators every five years. We are an IB school with the International Baccalaureate Middle Years program (IB MYP). Our parents and students are assured that we teach a holistic middle years curriculum which is founded on an enquiry approach to learning.

The IB MYP also has intercultural understandings as its base. Graduates from our school, therefore, will be well placed to contribute to world issues, as well as live and work in harmony with neighbours, colleagues and citizens from diverse linguistic and cultural backgrounds.

We invite you to be a part of the school through sponsor opportunities that are listed within this document.
