Exam Time
We are approaching the last stage of the school year and the year 11 and 12 students will be furiously completing assignments and exam preparations.

It is important to remember that in times of high focus that occurs at exam time, students still need to have the right sleep, food and relaxation activities to offset the intensity. For this very short period of time, the whole family should be mindful of the needs of their student. We at school are especially mindful, with our Counsellor, teachers and support staff being available to address last minute concerns with our students.

Staffing 2015
At this time of the year, we are planning the start and shape of the new year and I am pleased to announce that we will have at least 14 staff who will become permanent teachers in 2015. Having an influx of new staff enables us to stabilise staffing and to construct classes with a balance of teachers who have a range of specialities. Fortunately, many of the 14 staff who have been on contract in our school and I am delighted that they already know what we expect in achieving high standards in the International Baccalaureate, Middle Years Program (IB MYP) and the South Australian Certificate of Education (SACE).

International Education
Having just hosted a large number of Japanese students through our sister school, Takahashi and the return visit of Koishikawa High School, I reiterate the value of such programs for our students. Our students learn to interact at a personal level with students who initially appear shy and reserved. Students and homestay parents talk about how their perceived stereotype of, in this case, Japanese people, was quickly challenged, as their Japanese visitors fully immersed themselves in the household. Inevitably, stories about the students’ humour, love of singing, cooking and care for the environment emerged. Another common theme this year was the talk about the importance of young people wanting to create and maintain a peaceful world.

Thank you so much to all of the homestay families, some of whom included our staff. Without your participation, these exchange programs could not happen. There are direct benefits to your own children and the related benefit is for all students in the school, so thank you again.

Other facets of the International program is the curriculum in which the cultures histories, geography, politics, societies, religions, art, languages, and traditions of other countries are explicitly taught

As much as possible, our staff embed the learning with real life situations, such as teaching about Italian culture by visiting the local cheese making factory. The students learnt about the foods and traditions associated with the different cheeses, but also learnt about the strict Work and Health Safety requirements that must be met to guarantee that we are all kept healthy.

Recently, Alexia Forbes and I spoke at the International Education Services launch in the Education Centre about the value of internationalism to our school and received positive affirmation of our school’s activities, values and practices.

STEM
Science, Technology, Engineering and Mathematics (STEM) will be offered next year at our school as a STEMCELL class. STEM refers to the integrated learning which brings together the subjects of science, maths, technology and engineering to solve real world social problems. The course will be taught by Phuong Nguyen who is an engineer who retrained as a teacher. In addition, our Maths and Science coordinators will meet to make stronger connections with these other subject fields.

Of interest is the newly formed GUMS local partnership, consisting of Agnes Goode Kindergarten, East Adelaide School, Hackney Kindergarten, Magill Kindergarten, Magill School, Rostrevor Kindergarten, Stradbroke School, Trinity Gardens Children’s Centre, Trinity Gardens Primary School, Vale Park Preschool, Vale Park Primary School and Norwood Morialta High School have agreed to also focus on STEM. Over the next few years, I anticipate that the STEM learning will be occurring at different levels across our schools B-12.

Spring and holidays
Many teachers have made arrangements with their senior students to come in to school during the holidays to provide them with extra support. Please contact us if you have any concerns before the end of term so that we may arrange times to meet with you and your student.

Happy holidays to all.
I hope that we all have a safe return to school.

Principal’s Report

ABOVE: Students from Koishikawa High School on an excursion to the city with NMHS students
SENIOR CAMPUS REPORT

Kerryn Harvey
Senior Campus Head

Stages 2 Diagnostic Reports and School Assessment Reports
Stage 2 Diagnostic Reports were posted home on Wednesday 3 September. If you do not receive a report please contact the Senior Campus. This is the last information that students will receive before they undertake their external examinations and/or complete their external assessment components for their subjects. Students should be developing a balanced study program for their final weeks at school. Student/Teacher/Parent Discussions were held on the Senior Campus on Thursday 18 September.

Final School Assessment reports will be published on the Parent Portal and parents/caregivers will be advised by SMS when they are available to be viewed.

End of Year Arrangements for Year 12 Students
An Examination Information Assembly for all Stage 2 students will be held during the PLG session on Thursday 16 October and it is crucial that all students attend this. Students will be given printed information about the end of year requirements for Year 12/13 as well as information in relation to the forthcoming examinations. This printed information will be published on the website. An examination timetable will also be published here. Should you require any further information or clarification please do not hesitate to contact the Senior Campus.

Formal lessons for Year 12 students will conclude on Wednesday 22 October with the Year 12 Graduation to be held on Thursday 23 October.

Students who come into the school after this time to meet with or work with their teachers will be required to sign in and out on arrival and departure and wear full, correct school uniform.

Examinations may have already commenced for some students at this time and for many students completing subjects that do not have examinations, the completion of tasks may extend beyond this period.

Year 12 Graduation
The Year 12 Graduation Ceremony will be held in the Ivan Coward Hall on the Senior Campus on Thursday 23 October commencing at 9.30am. Information about the Graduation was sent home to parents/caregivers with the Year 12 Reports this term. Seating for family guests and friends will be limited so we ask that you respond to requests within the required timeframe to enable us to do our best to accommodate any individual needs.

Stage 1 Reports for Semester 2
Stage 1 Diagnostic Reports were posted home on Tuesday 26 August. It is important that any advice for improvement is taken up by students at this time to ensure that they maximise the opportunity for successful completion of subjects.

Final semester results will have an impact on subject selections for 2015 and it is important to note that an achievement score of a C grade or better is required if a student is to undertake a subject at Stage 2.

Stage 1 Achievement Reports which will also include an Examination Grade where applicable will be published on the Parent Portal and parents/caregivers will be advised by SMS when they are available to be viewed.

Stage 1 Examinations and End of Year Arrangements
Stage 1 Examinations will be held from Monday 3 November to Friday 7 November. This is not the completion of the school year for Stage 1 students and formal lessons will continue to be held until Thursday 20 November. The Stage 1 Awards Assembly will be held on the morning of 20 November and all Stage 1 students are expected to attend. Students will be dismissed at the completion of the Assembly.

Homestay Families Required
Norwood Morialta High School is always looking for families to host students from overseas who visit our school on short term Study Tours. A small remuneration is provided for most Study Tours and they range from 10-14 days in length.

If you would like more information about becoming an accredited homestay family please contact Nicolette Welford on 8365 0455 or email Nicolette.welford12@schools.sa.edu.au.
Dear Parents/Caregivers

IMPORTANT
GOVERNING
COUNCIL
MEETING

Monday 27/10/2014
at 7pm
Senior Campus

Re Materials and Services charge for 2015

All are invited to attend this meeting where a decision will be made as to the setting of the Materials Services Fee. In addition we will be seeking the full recovery of the Materials and Services fees. If supported, a polling letter will be sent to all families.

Details of proposed fees are shown. If you have any queries please call on 83642299.

In lieu of attendance at the Governing Council meeting, parents can express their views in writing to the Chairperson.

Fran Millard
Business Manager
On behalf of the Governing Council
On Wednesday 3 September our Music students performed in our annual Norwood Morialta High School Music Night. The concert is one of the major annual Arts events at Norwood Morialta High School and a highlight of the school calendar. Our Music students perform to parents, family, friends and the school community, and it provides an insight into the learning and development that has occurred throughout the year in music classes, instrumental lessons and rehearsals.

The concert featured performances from all Music classes from years 8 to 12, the NMHS Jazz Band, Drum Corps and Guitar Ensemble. Our talented performers amazed the large audience, as they confidently took to the stage to showcase their talents. Congratulations to you all!

The success of the concert is also a result of the dedication and guidance of our Music teachers, Tom Farnan and David Fawcett, supported by Yohan Lee, Kieran Freeman and the Instrumental Music Service staff. The parents and caregivers of our Music students must also be acknowledged for your continuous support and attendance on the night.

Finally, a special mention and thank you to the Parents and Friends of NMHS for your continuing support of The Arts. Members of the committee donate their time to provide refreshments during major performing arts events each year, and all proceeds raised are given back to The Arts.

By SRC

The SRC held a silent protest earlier this term to support two refugee students who were taken out of community detention from Woodville High and flown to Darwin and placed in the Wickham Point Detention Centre.

Students from years 8 to 10 came to the Lecture Theatre at lunchtime to listen to the SRC talk about this matter and then as a group assembled on the footpath outside of the school to stage the silent protest.

To make the silent protest more visible the students linked arms through the bars of the school fence and held a minutes silence as a gesture of support for the Woodville High students and to raise community awareness amongst the student body.

The students felt it was important to use their ‘voice’ to support the welfare of students who are in detention centres.
Congratulations to Matthew Brice and Isuri Seneviratne for successfully reaching the finals of the PICSE Science & Engineering Investigation Awards. Matthew and Isuri were selected to enter their Year 8 Science Home Projects on “Cress” and “Marigold Growth” at the state judging on Monday 8 September 2014 at the Royal Adelaide Show.

It was a successful day for Norwood Morialta High School with Matthew winning 2nd Prize in the Year 8 competition for his Home Project called “Cress” which he investigated optimum growing conditions for Cress. Both students presented to judges with the highest of standards.

Congratulations to all the students for their great work in regard to the Home Project.

Upcoming Events

**Term 3**

Week 10

- 22/9: MC Parent/Subject Teacher Interviews 2.30-7.00pm
- 26/9: Governing Council SC 7.00pm
- LAST DAY OF TERM 3 (12.45pm dismissal)

**Term 4**

Week 1

- 17/10: Yr 9 Immunisations

Week 2

- 20/10: Stage 2 Oral Exams
- 21/10: Stage 2 Language Exams commence
- 23/10: Yr 12 Graduation SC Hall 9.30-11.30am

Week 3

- 27/10: Art/Design/Media Evening 4.30-6.30pm
- 27/10-31/10: Governing Council SC 7.00pm
- 27/10-31/10: Stage 1 Drama Production
- 28/10: Yr 12 Visual Arts 4-6pm
- 31/10-14/11: Art Exhibition—Pepper Street

Week 4

- 3/11-19/11: Stage 2 Exams
- 3/11-7/11: Stage 1 Exams
- 5/11: Parents and Friends MC 7.00pm

Week 5

- 12/11: Yr 10 Drama Production SC Hall
- Matinee 11.30am
- Evening performance 7.30pm

Does your teen have a sleep problem?

The Child & Adolescent Sleep Clinic in the School of Psychology at Flinders University is running treatments for adolescents aged 13 to 20 years, who are unable to fall asleep at a conventional time and experience difficulty waking up early for school, university or work.

For more information please email casc.enquiries@flinders.edu.au or call 8201 7587.
From time to time there is confusion about how parents can follow through on their concerns. In this diagram there is a clearer picture of the sequence that parents are asked to follow.

If you are still not satisfied you can refer your feedback or complaint to the Parent Complaint Unit by contacting us via email at DECD.ParentComplaint@sa.gov.au or calling us on 1800 677 435 (standard call rates apply for calls from mobile phones).
## OUT OF SCHOOL HOURS SPORT

### Winter Season Sports Awards

### Term 4 Sports

Term 4 sports begin the first week back from holidays Saturday 18.10.14. Coaches are now being organised and training times and programs will be issued at the beginning of Week 1 Term 4. Students who played in Term 1 are expected to continue in Term 4 unless they have advised Student Services. Students have been asked to complete Registration/Medical forms to participate. Any queries to be directed to Mr Vanderloo in Student Services-Middle Campus on 0401 121 303.

Teams are as follows:

- Junior B Girls Basketball
- Junior B Girls Tennis
- Senior C Girls Touch Football
- Senior B Girls Volleyball
- Junior A Girls Volleyball
- Senior B Mixed Badminton
- Middle B Mixed Badminton
- 10B Boys Cricket
- 9B Boys Cricket
- 8B Boys Cricket
- Middle A Boys Tennis
- Middle B Boys Tennis

### State Selection

Congratulations to Chelsea Hart for being selected in the 14 and Under Ladies Netball Championships to be held in Perth, WA 30.11.14 - 6.12.14
Open Girls Knockout Soccer

Our Senior girls team went through to the finals played at Burton Park on Monday 15 September. They clearly defeated Immanuel College 5-1 to play in the finals against a very strong Gleeson team winning 2-1. The girls showed good sportsmanship and represented Norwood Morialta High School with pride.

Our team consisted of Harriet Burnett, Tessa Calabria, Giorgia Contos, Joanna Di Rubbo, Salma Eid, Angela Halsall, Shea Hatzwell, Grace Inman, Gabriella Rodighiero, Helena Ruggiero, Alexia Scalzi, Paige Selby, Chanel Todino, Abby Violi and Sophia Vournas. Thanks to Brylon Nthoane for being linesman for the day.

Text books, library books and sports uniforms on loan

Please note that text books, library books and sports uniforms are issued on a loan basis only and become the responsibility of the borrower to look after them. The items must be returned at the end of the term/semester as they are required for other students use. If an item is misplaced or lost, the student must advise our Resource Centre staff/Student Services who will issue an invoice for the replacement cost and a new item will be purchased to replace the missing or lost one. If the item is returned at a later date a refund will be issued. If an item is returned damaged an invoice will also be issued.
The 2014 SACE Ski Trip to Mount Buller was an awesome, amazing and action-packed culmination of two terms of preparation, commitment and hard work.

The weather was incredible with warm, sunny days and the snow was exceptional, providing outstanding cover and access to all areas of the mountain.

As a result, the Norwood Morialta High School Ski Team members have developed their skills in either downhill skiing and/or snowboarding, progressing enormously throughout the week. They have become more resilient as they have repeatedly fallen and picked themselves up, continuing on with more determination than before as they experienced the anticipation, fear, excitement and adrenalin rush of skiing steeper and more difficult slopes.

Students have also relished the opportunity to get to know their peers better and make new friends and nearly all have expressed their desire to return to the slopes next year!

All would like to thank the staff that came along, for their energy, endeavour and commitment in putting this trip together, and making it such an enjoyable and fantastic experience.

“I left my pride on the snow and after a while I had none left! That helped me to be more open to the advice I was being given.”

“I really enjoyed the scenery in general: going up the chairlifts and looking at the mountains becoming bluer in the distance.”

“The Ski Trip provides a brilliant opportunity for learning beyond the classroom, with great bonding experiences and the chance to learn about yourself and others”

“I learnt that I could do anything if I put my mind to it.”
Ski Trip 2014 from a student’s perspective

By Tyson Egglestone

Thirty two students consisting of years 10 and 11 embarked on the week long ski trip to Mount Buller. This trip was not just turn up and ski, there was a lot of preparation for this trip as every student had to attend two lessons a week, one for theory and one on Friday mornings for fitness. These lessons went on for a term and a bit. Each theory lesson we were given a newsletter and other sheets, it got to a point we all lost track of how many there were. However these sheets weren’t for nothing, most of us had never skied or snowboarded in our life let alone been to the snow, so these sheets helped us with general knowledge needed for the snow. In addition to all this we had to write a day by day journal to record what had happened during our days, we got marked on the journal an evaluation (which we did when we got back) and our performance/improvement in the snow. If we passed all this we would be awarded 10 SACE credits.

The 2014 ski trip was one of the best experiences of my life, spending a whole week in the snow with friends snowboarding, couldn’t ask for anything better than that. No matter your ability to ski/snowboard it is still an experience of a life time. I had never been to the snow, neither had I snowboarded before but you will be surprised at the rate you improve at. The experience is that much more enjoyable if you had never been to the snow, it is an amazing sight that will stay with me for the rest of my life.

One of the best parts about the trip is the fact you get to go with a great bunch of people who you bond with and become closer to throughout the course of the trip. It was a great experience to be able to snowboard with my friends. Snowboarding with friends makes it that bit more enjoyable.

I believe the highlight of this year’s trip was night skiing/snowboarding. Night snowboarding was incredible it just added a whole new perspective to snowboarding and you felt freer on the slope with less people around. The fact that there was less light made it much more enjoyable and as it was colder, it was a bit icier so you went a lot quicker which made it a lot more fun. I highly advise the students looking into going on the ski trip next year to go night snowboarding it was an amazing experience and probably the most fun I had on the trip.

In conclusion each and every one of us who attended the 2014 ski trip had a great time learning and improving how to snowboard/ski. I strongly recommend that those who did not go to the snow this year go next year, as it is an experience that will stay with you for the rest of your life. There are many laughs and countless memorable moments with a great bunch of people.

On behalf of all those who attended the ski trip of 2014 we would like to thanks Mrs Mudie and Mr Tripney for organising such a sensational and unforgettable trip. We appreciate all the time, effort and preparation you put into this trip and the trips to come.
