This is the last newsletter for 2014.

**Professional Learning Teams**

Our school is constantly seeking to improve its performance, especially as the world of adolescents has changed dramatically in the last decade.

Anyone who viewed the recent ABC Press Club program which featured Mr Luke Sayers, CEO of Price Waterhouse Coopers Australia, would have noticed that we need to prepare our students for a world in which innovation, creativity, problem solving, high end use of ICT as tools and the ability to work with diverse people, ambivalent situations and rapid change in organisations and circumstances is essential to future success of individuals and our nation.

One proven strategy to lift student achievement and to develop the above skill sets in students, is to invest in sustained, regular professional development of teachers. Next year, every Wednesday morning, students will arrive later at school while teachers will be at school working on an aspect of pedagogy. We hope that after a period of time, students will report on these changes, both informally as they chat to you, as well as in formal feedback to their teachers. We anticipate that these changes will take time to cement and as we progress with them, we will report to you.

**End of year**

The end of the school year rituals and celebrations require all of us to be vigilant so that behavioural expectations and norms are maintained. It is also a joyous time of the year as students celebrate their successes, appreciate closure of the year and are ready to holiday. Some students are regretful about opportunities lost and we hope that the experience strengthens their resolve to focus quickly in the New Year. If you are concerned about any student, remember that the school has two Student Counsellors, Ms Summer Bowles on the middle campus and Ms Sharon Chesson on the senior campus both of whom are available to support you with any issues. In addition, all of the Sub School Heads and the Learning Community Leaders are also available to support students.

**Festive Season’s greetings**

To all students and their families, I extend best wishes for the Festive Season. Happy holidays and a safe return to school on **TUESDAY 27 January 2015**.
ThinkUKnow

In recognition of the current concerns raised by parents and students about managing the complexities of social media we were pleased to be able to offer a presentation for parents entitled ThinkUKnow at the middle campus. ThinkUKnow is sponsored by the Australian Federal Police, Microsoft, Ninemsn and Datacom.

This presentation focused on cyber safety and security, providing tips on how to keep your information secure and how to stay safe online while still having fun. The presenter gave some helpful information and suggested ways for parents to be involved with their children online.

Some tips for parents include:

- Have an open dialogue with your child about what they do online
- Learn about the technologies and applications they are using
- Reinforce the message: think before you post
- Keep personal information private
- Discuss rules around mobile phone and internet use with your child and what they should do if something makes them feel uncomfortable
- Ensure your child only speaks online to people they know and trust offline.
- Report suspicious behaviour to the appropriate authority

Other key topics included cyber bullying, inappropriate content, online grooming and scans, frauds and identity theft.

A key message was to ensure that personal information is kept private. The presenter suggested, ask yourself before you post something, ‘Would I be happy for my grandmother to see this?’ If the answer is no, you shouldn’t post it.

For many young people when they are seeking employment in the future the potential employer may run an internet search to see how they behave online or what they have posted and these things don’t disappear. Inappropriate posts could affect a person’s reputation and their ability to find the job they are looking for.

While we worry about the potential risks online the most important message of the presentation was to be aware of what your children are doing by always keeping an open dialogue with them about their online activities.

We encourage parents to attend such presentations.

If there are particular topics of interest for future presentations we welcome your suggestions. Please contact the school or suggest via the parents and friends group who meet twice a term at the middle campus.

I take this opportunity to wish the school community the very best for the upcoming holiday season. Congratulations to all of our award winners, our sporting achievers, our community service volunteers and all those who have done their best this year.

On the 18 November students who participated in the Premier's Reading Challenge for 2014 were invited by Channel 9 Adelaide to visit the Tynte Street studios in North Adelaide. With Library staff from the Middle and Senior Campus, Ms Lonnon and Ms Westerhof and Ms Walters in tow, we headed into the city to have a guided tour of the studios and meet members of the Adelaide news team.

Marketing and Sales Rep Jennifer Reed gave a brief history of Channel 9 in Adelaide and explained how the company operates. The group of 30 students were then divided into two groups to tour the studios. In one part of the tour news presenter Brenton Ragless gave us an insight into his career as a news presenter and shared how he now presents the news daily from the studio, whilst the second group walked up a tiny set of stairs to the control room! Here we were able to get an understanding of how important the directors, producers and assistants are in the presentation of the news on a daily basis.

Upon our return to school, students were presented with their awards and medals. We would like to acknowledge the following students for their 2014 achievements and look forward to continuing the strong tradition of the PRC in 2015!

Team FOCUS

Round 4: UniSA Australian HPV Super Series 2014 Sturt Reserve, Murray Bridge
492 Laps, 5th Outright [Field of 216] and third for the Series
Sebi Anderson, Aaron Tetley, Ben O’Connell, Tim Lennon, Jack Mathews, Andy Sarandis, James Raison, Michael Hatcher

Team ASTRO

Murray Bridge 2014: 393 Laps, 29th Outright [Field of 216]
Tullio Zaltron, Tom Farnan, Miles Faman, Ashley Brown, Kevin Anderson, Alistair Brown
For Loxton the Team included: Michael Oors, Alyssia Brown, Fred Zaltron, Esteban Anderson, Danny Wardle, Tim Lennon, Michelle Lennon and Nicholas Morena. Justin Tetley rode in R2.

Team XP8

Round 4: UniSA Australian HPV Super Series 2014, Sturt Reserve, Murray Bridge
328 Laps in 24 Hours, 81st Outright [Field of 216],
26th in Category 3 [54]
[Left inset: Jake Costi Round 4] [Right inset: Nic Benn, Rounds 2&3]
Pedal Prix Teams and riders depend upon a number of functions being carried out by parents and supporters. Transporting bikes to events and to scrutineering, supplying or sourcing gear, maintaining and re-building bikes, catering, especially at the 24 Hour Event, are essential contributions that parents and supporters help with.

Pedal Prix Teams need parents or senior riders to act as Track Marshals. Thanks to Tony Lennon, Rudolf Oors, David Benn, Tom Farnan, Alistair Brown, Tulio Zaltron, Aaron Tetley, Michael Hatcher and Ken Norman who completed the training required and then helped our Teams to cover their hours of Marshal Duty. Every Team has to provide at least two Track Marshals as there are rostered duty times of 1½ - 2 hours.

Tony Lennon, Ken Norman and Darren Wardle were parents who helped with the process of scrutineering. This is the checking procedure that all vehicles have to go through prior to being allowed to compete. Over 100 safety related checks are made as part of this official process. Alistair Brown, Alyssia Brown, Danny Wardle, James Wilson, Miles Farnan, Michelle Lennon, Tim Lennon, Justin Tetley, Jack Mathews, Michael Hatcher, Ben O’Connell were riders who also helped get this done for the benefit of the whole field.

Kevin Anderson was a very important help in many ways. He rode in two different teams over the season, setting an example for others, and assisted with getting bikes and equipment to training and events. He was instrumental in the maintenance sessions that were needed to get the vehicles ready for the events. Tulio and Tom also helped with this.

Andy Gough, who was a student rider ten years ago, has come back to help run things. He has been a helpful influence with his calm approach and depth of experience. He arranged sponsorship of a supply of gaffa tape, an essential item in the tool kit for Pedal Prix Teams. He also organised a large scale diesel generator to supply power in the Pits at Murray Bridge for about a dozen teams. This meant that we were not surrounded by a host of smaller, noisy and distracting generators.

This year our catering group for Murray Bridge was coordinated by Celia Brissenden. She was responsible for collecting monies, keeping track of spending and getting things up to Murray Bridge. Karen Cook, a parent from previous years helped with the planning for Murray Bridge and getting Celia up to speed. Lee O’Connell assisted in this and Patrick O’Connell, who was a student rider and is now a Chef, gave his expert advice on menu items and quantities. Tania Cannons helped with purchasing expeditions as did Lee. Angela and Rudolf Oors organised collection of pasta and cooking equipment. At the track, Celia, Lee, Angela, Leonie Brown, Jodie Wardle, and Clare Lennon were all involved in keeping riders constantly fed.

This year our catering group for Murray Bridge was coordinated by Celia Brissenden. She was responsible for collecting monies, keeping track of spending and getting things up to Murray Bridge. Karen Cook, a parent from previous years helped with the planning for Murray Bridge and getting Celia up to speed. Tania Cannons helped with purchasing expeditions as did Lee. Angela and Rudolf Oors organised collection of pasta and cooking equipment. At the track, Celia, Lee, Angela, Leonie Brown, Jodie Wardle, and Clare Lennon were all involved in keeping riders constantly fed.

The Pedal Prix Team would like to especially acknowledge and thank the support of Romeo’s Retail Group, with their generous contribution of bread, margarine, sauces, eggs and cold deli meats for the weekend’s catering.

Rostrevor Foodland store, with their generous contribution of bread, margarine, sauces, eggs and cold deli meats for the weekend's catering.

Rocky Carbone at A R Premium Foods [Lewis Road, Glynde] sponsored our Teams with a large delivery of ravioli. This was very much appreciated as it formed the basis of our catering. Pasta is the life blood fuel of Pedal Prix riders.

Thank you to Kiki and Gary at Forest Fruit and Vegetables [Forest Avenue], for their great deal on delicious fresh South Australian produce to power the team all weekend.

Thanks to Dave at Valley Butchers [Hope Valley] (valleybutchers.com.au) for an excellent order of meat for the Murray Bridge Event. The sausages, steak slices, ham steaks and bacon were the best tasting.

Jack Mathews deserves special mention. He has been a driving force of the Focus team, making an enormous commitment, with help from Aaron Tetley and Michael Hatcher, involved in building, testing, maintaining and sourcing parts for the vehicle and riding in the team. The team has become one of the leaders of the field and are already preparing for next season.

This is my last year as Pedal Prix teacher as I am retiring but I will be available as an advisor. It has been a privilege to be involved with Pedal Prix at our school as I have been able to be part of some great teams over the years. A new protégé vehicle will be ready for next year and together with the people already involved it should be a great season.

From all the staff and families at Norwood Morialta High School we thank you for your invaluable expertise in Pedal Prix. You will be truly missed!

First day of Term 1
Tuesday 27 January 2015
MC—8.25am
SC—8.40am
The Year 10s recently completed their 42km journey along Ral Ral Creek and environs enduring 43 degree temperatures and learning about evaporative cooling techniques. The heat also brought much wildlife down to the water: kangaroos, emus (we saw two swimming across one of the creeks!), feral goats, many species of birds and an occasional reptile. Day 2 was the most challenging day that we faced – 29 km to paddle in challenging conditions. We rose at 5:00am and were on the water by 6:30am, allowing us to cover quite a large distance before the real heat set in. Fortunately, we were able to rest frequently in shady spots so that we could rehydrate, refuel and reapply sunscreen. Splashing competitions were compulsory. After setting up camp, a dip in the creek cooled us down considerably.

Students improved both their paddling and their navigation skills, took on leadership roles, overcame hardships and challenges, enjoyed getting away from the ‘rat race’ and appreciated the peace and serenity of this natural environment.

Most importantly they came to recognise the value of our one large inland waterway and the life that it sustains.
Semester 2 Outdoor Education classroom activities included challenges, problem solving activities, indoor climbing, visits to the Botanic Gardens and the SA Museum, cooking on the Trangia, knot tying, stretcher making, putting up tents and examining links between mental, physical & social health and the natural environment.
On Monday 24 November Mr Pontikas’ class went to the lecture theatre along with another humanities class to listen to a guest speaker, Sergeant Peter Winter from the Crime Prevention Unit. Sergeant Winter gave us information about many things such as cyber bullying, alcohol and drugs, cyber safety and the juvenile justice system. He talked about the common dangers that children our ages face and get themselves into if they aren’t careful. Sergeant Winter gave us an overall understanding of the consequences of commonly committed offences by children around our age. After listening to his presentation we now have more helpful information about the rules and laws that apply to young people.

Michaela and Gabriela

**Text books, library books and Sport uniforms on loan**

Please note that text books, library books and sports uniforms are issued on a loan basis only and become the responsibility of the borrower to look after them. The items must be returned at the end of the term/semester as they are required for other students use. If an item is misplaced/lost the student must advise our Library staff/Student Services who will issue an invoice for the replacement cost and a new item will be purchased to replace the missing/lost one. If the item is returned at a later date a refund will be issued. If an item is returned damaged an invoice will also be issued.

**SCHOOL UNIFORM**

**IS AVAILABLE FROM THE FOLLOWING 2 LOCATIONS:**

**NORWOOD MORIALTA SENIOR CAMPUS**

505 The Parade, MIRALTA
PH: 0409 178 994

**Trading Hours During School Terms Only**

**Terms 1, 2, 3 & 4**

- **Tuesdays:** 8:00am - 1:30pm
- **Wednesdays:** 12:30pm - 4:00pm

**EXTENDED HOURS FOR BACK TO SCHOOL PERIOD:**

- **Monday:** 19th January 2015 8:10am - 5:00pm
- **Tuesday:** 20th January 2015 8:10am - 5:00pm
- **Wednesday:** 21st January 2015 8:10am - 5:00pm

**UNIFORM MANAGEMENT SERVICES**

1/6 Montrose Avenue, Norwood
PH: 08 8363 5255

**Trading Hours**

Monday - Friday 9:00am - 5:00pm

**January 2016 - Open Every Saturday 9:00am - 12 Noon**

Closed 22nd December 2014 & for 6 days 3rd January 2015

**UNIFORM MANAGEMENT SERVICES**

would like to take this opportunity to thank all teachers, parents & students for your continued support in the Year 2014 & would like to wish you a very Merry Christmas & A Prosperous New Year.
Student Ambassadors
By Ben Abbott—Year 9 Sub School Head

This year an amazing group of Year 9 students under the guidance of Ben Abbott - Year 9 Sub School Head and Summer Bowles - Student Counsellor, worked with a group of students who applied to be Student Ambassadors. These students exemplified our school values and were chosen to represent NMHS at our feeder primary Schools. We were able to take these students to Stradbroke, Magill, East Torrens, Trinity Gardens and Thordon Park Primary Schools. The purpose was to meet the Year 7 students who would be attending NMHS in Year 8. They were also able to speak with many other Year 7s about high school life and the journey a Year 8 student may take. The students spoke candidly about the experiences to face in high school - topics included homework, lockers, sport, computers, uniform and many other topics. The Year 7s asked many questions and were pleased to have their questions and potential concerns explained by the Year 9s.

We were very pleased with the experience and the primary schools want to repeat this process in the future. The students involved were:

Esteban Anderson
Stella Hagidimitriou
Emily Nirens
Elena Sandgren
Alarna Campbell
Leilani Adams
Nicholas de Guglielmo
Nicholas Morena
Harmehar Singh
Hadeel Younus
Astha Patel
Adelle Martin
Joyee Karmaker
Nic Benn
Rhianna Coscia
Katherine Lewis
Esme Walters
Victoria Cook
Amy Trudgen
Darcy O’Connor
Ashleigh Mudge
Chelsea Mudge
Deanna Pitt
Ally Brown

Year 9 Community and Service
By Ben Abbott—Year 9 Sub School Head

As part of the IB MYP all students are expected to complete an aspect of Community and Service. We were able to embed this into our Personal Learning Plan time on Thursdays during Terms 3 and 4. Many students went beyond school time and became involved in volunteer work in many settings. The aim was to complete a guiding question Imagine a World Where.... The variety of projects was outstanding - many students investigated various charities and donated items or money for their cause. Others were able to focus on individuals and worked with family / friends to understand issues of poverty, homelessness or disability.

Two projects stood out for the determination and drive to help others and raise awareness. Ryan Watson led a team of three to help maintain the home and yard of a neighbour struggling with arthritis. They tidied and maintained her yard and did an amazing job cleaning and helping her maintain her home. Isabella Nisco baked cupcakes and visited homes selling them to raise $150 for Modbury Special School. She was able to present her total to the school and her efforts were appreciated.

Year 9 Mentor Morning
By Ben Abbott—Year 9 Sub School Head

At the end of term 3, our Year 9 students were fortunate to have the opportunity to meet people from a wide range of jobs and training to start them thinking about their future careers and pathways. The boys and girls were separated and heard from speakers from Port Power who delivered a fantastic overview of the ideals of leadership and teamwork. Even though they represent one sporting team, their message was universal.

Following this, the students were given the opportunity to meet, question, listen to and take away as many useful ideas and strategies for success they could absorb. We were so fortunate to have representatives from Uni SA and Flinders Uni, SAPOL, Australian Defence Force, SA Law Society, McDonalds. We had individuals working as a writer, media personality, beauty therapist, sports management and full time uni student. It was a noisy, busy energetic event and our students were hungry for advice and guidance from dedicated people who generously gave up their time for us.

Ryan Watson

Isabella Nisco
Out of School Hours Sport

School sport concluded on Saturday 29 November for the year in what has been a very successful year of Summer and Winter sport. Participation numbers increased which meant the school had more teams representing the school each Saturday morning than what we have had in the past six years. We had our first Touch team ever play in Term 4 and performed exceptionally well given it was the first time most of the girls had played the sport. Volleyball and Badminton are two sports that have seen the biggest growth, but Basketball and Soccer continue to be the most popular. Nomination forms for 2015 Summer sport will be available online on the school website soon, so early nominations can be emailed to dl.0787.sport@schools.sa.edu.au. Well done once again to all students who represented the school with distinction in 2014.

Junior B Girls Basketball

The team had a promising season, finishing with a positive record of 3 wins and 2 losses. Given the team was placed in a harder division from term 1 (B grade up from C grade), I think that the girls stepped up and pulled together extremely well. I am looking forward to coaching the team next year and am confident the girls can continue to improve.

Jake Slack—Coach

We will be asking students to nominate their summer sport in the first week back in 2015 as teams will need to be organised immediately to commence matches in week 2. Registration/Medical forms will be available for collection from Student Services.

ROSTREVOR TENNIS CLUB

Christmas Holiday Clinic

This school holiday clinic will run Monday 15 – Thursday 18 December from 9.30am – 12 noon daily.
Held at Rostrevor Tennis Club, Jenkins Ave, Rostrevor. Cost $145

Call now to reserve your place.
Contact Todd on 0414 014 566 or email todd@toddperrytennisacademy.com.au

Enrol now for Tennis Coaching in Term 1, 2015
Hot Shots (beginners aged 4-8)
Group Coaching (beginner, intermediate, advanced)
Private Lessons (at skill levels)
See www.toddperrytennisacademy.com.au for full details
On 25 January 2015, the Department for Planning, Transport and Infrastructure and the three bus service providers will be making changes to Adelaide Metro public transport services in the metropolitan area.

Some dedicated and regular bus services will be affected and therefore it is important that students obtain information regarding these changes from the Adelaide Metro website at www.adelaidemetro.com.au from early January.

As part of the changes, DPTI will once again conduct a public awareness campaign closer to the implementation date. This will include media advertising including press and radio traffic reports, information from the Adelaide Metro website and the roll out of detailed customer information through timetables and kerbside information at affected bus stops and train stations.

Information will also be available via the Adelaide Metro InfoLine 1300 311 108 and the Adelaide Metro InfoCentres at the corner of Currie and King William Streets and the Adelaide Railway Station, North Terrace, open 7 days a week.

Please disseminate this information to advise students and parents of these changes and the importance of seeking further information from the Adelaide Metro website (www.adelaidemetro.com.au) or the Adelaide Metro InfoLine on 1300 311 108 from early January 2015.
Bus Service Changes - Affecting Student Travel
Effective as From Term 1 January 2015

From Tuesday 27 January 2015 (Term 1), changes will be made to Adelaide's public transport system.

Some East-West dedicated school bus services will display numbers only when operating. For example, School bus ‘H20’ in the afternoon will be renumbered as School bus ‘639’.

Students can check if their regular routes are changed by visiting www.adelaidemetro.com or calling the Adelaide Metro InfoLine on 1300 311 108.

In addition to the renumbering of school buses, other changes have been made as shown below:

<table>
<thead>
<tr>
<th>Current Route Number</th>
<th>Route</th>
<th>Start Time</th>
<th>End Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>School Bus 610</td>
<td>New service replacing School Buses 620 and 621</td>
<td>7.20am</td>
<td>8.30am</td>
</tr>
</tbody>
</table>
|                      | Departing from Stop 37 Graves St, Newton Isling East at 7.29am, picking up and setting down as requested via Graves St, left Stradbroke Rd, right Gorge Rd, left Couilla Rd to Stop 38 (7.38am), left Lower Athelstone Rd, George St, left Silkies Rd, right Gorge Rd to Charles Campbell College, then left Newton Rd, right Credace Rd, right Reserve Rd, left Clairville Rd, right Heading Ave, left Lower North East Rd, Glynhub Rd (Stop 198 Glynde Hotel at 07.59), left The Parade (Norwood Morialta High – Senior Campus)
|                      | Service then continues to Mary Mackillop College, Loreto College and Maryvale High School arriving at 8.30am.               |            |          |
