The School requires a commitment from students so that there is certainty in the nominations to Sports Association for Adelaide Schools and SA Catholic Secondary School Girls' Sports Association as teams must be organised prior to commencement. Teams can only be nominated if there is enough interest. The sports fee (which will be invoiced) is used to supplement costs (equipment, first aid, nomination fees, umpires, coaches etc). **If a student registers to play and then withdraws no refund will be available.**

Students can collect loaned sport uniforms (if applicable) from Student Services prior to the commencement of matches. Loaned uniforms which are not returned will be invoiced the replacement cost.

Under the Governing Council Policy should there be outstanding monies owed to the school, students may not be permitted to participate where there are additional costs. This is a choice activity. For further clarification please contact the Business Manager or Finance Officer. The School highly recommends that parents insure their children against the possibility of disabling injuries which are not attributable to a breach of duty of care by staff/coaches/volunteers by arranging a general accident cover for their child while attending Out of School Hours Sport during the course of the activity as this is the parent/caregiver's responsibility.

Any questions or concerns please contact the Sports Manager on 8360 9843 or email dl.0787.sport@schools.sa.edu.au.

I agree to participate as per the Student Code of Conduct (please see over page).
