

Norwood Morialta High School Uniform Guideline

Norwood Morialta High School takes great pride in its uniform and expects students to wear the correct uniform at all times. The wearing of the school uniform creates a sense of identity within our school community and assists us in managing the ongoing well-being and safety of our students.

We remind parents/caregivers and students on choosing this school that they undertake to support the school in its expectation that all students will wear the correct school uniform items listed below. Their appearance is to be neat, clean and worn in a conventional manner at all times. The wearing of other garments will be seen as incorrect uniform and therefore unacceptable.

Please note:

During 2018-2021 Norwood Morialta High School will be implementing a new school uniform. All new students commencing school from 2018 will be required to wear all items from the new school uniform collection. Continuing students may wear a combination of the newer and older style uniform pieces.
