Dear Parents/ Caregivers

RE: Yard Incident on Friday 13 March

It is with concern that I write to inform you that the Middle Campus experienced a serious incident at lunch time on Friday 13 March. This incident was witnessed by a number of students.

As a school community we do not support such behaviour and have a zero tolerance of violence. We uphold high expectations for all members of our school community and actively promote our core values of *Distinction, Diversity and Respect*.

I wish to assure you that the school has managed this incident in strict accordance with the Department for Education procedures. This has included contacting police and issuing serious consequences. The school has also provided support for all students directly involved and has been in contact with their families.

We understand that some students may have witnessed this violence and we wish to reinforce that the school is a safe and supportive environment. This morning leaders visited classrooms to reassure students and to offer strategies for support, including speaking with their PLG teacher and accessing support from our Student Wellbeing Leader and other support agencies.

Please do not hesitate to contact a member of the Campus Management Team on 8365 0455, should you wish to discuss this matter further.

Yours sincerely

Jacqui van Ruiten
