Dear Parents / Caregivers,

RE: Accelerated STEM Pathways Information Evening

It is hard to believe that we are half way through 2020 and the students are approaching the final stages of the Accelerated STEM Program. We would like to take this opportunity to once again congratulate your student on his/her achievements in the Accelerated STEM Program.

It is an exciting and important time for students as they begin to consider their options for secondary schooling post completion of the Accelerated STEM Special Entry Program. As the program is unique there is a range of available pathways that students could take for the remainder of their secondary schooling and it is of the highest importance that parents / caregivers are involved in this process.

We would like to invite parents and students to the:

**Accelerated STEM Pathways Information Evening
Monday, 27 July 2020 at 6:00pm
Senior Campus in the
STEM Open Space on the Science Floor (ground level)**

Due to the uniqueness and accelerated nature of the NMHS Accelerated STEM program we strongly encourage parents and students to attend this meeting. We believe this session will be an opportunity to highlight the structure of the available pathways and clarify any questions you may have.

Please do not hesitate to contact Chris Felstead on 8365 0455 or via email chris.felstead296@schools.sa.edu.au should you require any more information.

We look forward to meeting again with you at this event.

Yours sincerely,

Chris Felstead
