Dear Parents/Caregivers

**Re: NAPLAN National Coordinated Practice Activity**

You may be aware that from 2021 NAPLAN tests which are undertaken by students in years 3, 5, 7 and 9, will be completed online in all South Australian schools.

In order to prepare for the NAPLAN online test in May, our school needs to undertake a National Coordinated Practice Activity. The purpose of this activity is to ensure that students are familiar with the school devices and the NAPLAN online environment, as well as to test school and national infrastructure systems and processes. Readiness activities **will not** formally assess students who participate and the reports generated will be used for analytical purposes only.

For students participating in the readiness activities, the Department for Education will upload some personal information to the NAPLAN online assessment platform, as outlined in the attached notice.

Students in 9.4 and 9ST classes will take part in the online readiness testing activities on Thursday 25 March in lessons 4 and 5. They will undertake one practice, non-assessed test only.

If you have any questions regarding the online readiness activities, please contact the school on 8365 0455.

Yours sincerely

Amanda Walsh
