## In this talk

In this talk, parents and carers will *learn to understand the unique way in which boys develop and learn*, and how that impacts their ability to engage, build positive relationships and access the curriculum in the classroom.

### What will I learn?

Topics include:

- How boys develop socially and emotionally Educational challenges in teaching boys
- How boys learn
- Practical strategies for supporting your boys.

### Presented by Tarun Stevenson

Tarun is an established consultant, experienced educator and behaviour coach. He is passionate about equipping teachers with tools to effectively connect, communicate and manage students with confidence, care and socially just practice.

Discover evidence-based approaches that are rooted in real-world application and presented by a registered behaviour management and boys specialist.
