Dear Parents/Caregivers,

RE: Service Learning Activity

This year, all Year 8 students will be participating in a Service Learning activity. Service Learning, and specifically Service as Action, is a significant component of developing IB learners and a requirement for all students who study the IBMYP.

Students have worked collaboratively in PLG's to research current issues and required services in our community and from this have developed a program to give back. These ideas range from visiting locations in our community (for example, tree planting), fundraising for charities by running bake sales and selling handmade ribbons and collecting items of need for the RSPCA and shelters.

Over the coming weeks, some students in their PLG's will be undertaking excursions to go out into the local community.

If your child is going on an excursion, you will receive a consent form to return to their PLG teacher. If your child is holding an event at school, you will receive an email from their PLG teacher with further information.

Students are excited and proud of their commitment to service in the community, raising awareness for a diverse range of causes, so please ask them what they have planned!

Please do not hesitate to contact your child's PLG teacher or Georgina D'Angelo via email at georgina.dangelo880@schools.sa.edu.au or on 83650455 if you have any questions regarding Service Learning.

Yours sincerely,

Georgina D'Angelo
Year 8 Learning Community Leader
