Dear families of Norwood Morialta High School

Re: Reappointment of Principal Jacqui van Ruiten

We are delighted to jointly announce the reappointment of Jacqui van Ruiten as Principal of Norwood Morialta High School for a further 4 years, extending her tenure until the end of the 2025 school year.

The Governing Council of Norwood Morialta High School met on Monday 10 May 2021 at the regularly scheduled meeting for Term Two.

At the meeting the potential reappointment was discussed. Without hesitation the Governing Council endorsed the extension of Jacqui van Ruiten's appointment for a further term. A motion to that affect was moved and carried at this meeting.

This endorsement is fully supported by the undersigned Education Director and Governing Council Chairperson of Norwood Morialta High School.

Jacqui's fine track record of school improvement aligns with her in-depth understanding of the leadership needed in the next exciting period of the school's development and make her the ideal choice.

We are excited by the possibilities presented to the Norwood Morialta High School community as the school moves forward as a centre for excellence in education on The Parade site for Years 7-12 from 2022.
