Dear Parents/Caregivers

**RE: Conclusion of Official Year 12 Studies**

This week marks the end of official classes for your senior secondary student. As a community, we gather at the Graduation Ceremony to celebrate the triumphs and successes of, not only the year that has passed, but the 5 years of secondary schooling that your student has completed. It is this celebration, and the teacher-planned celebrations in classes, that we use to mark this significant achievement.

I write reminding you and your student that Norwood Morialta High School has a zero tolerance position on 'Muck-up Day' activities that students may or may not be planning. We deem this kind of behaviour as anti-social, and it does not uphold the core values of our school.

Any student who participates in activities deemed as destructive, inappropriate or anti-social will face serious consequences, and their completion of Year 12 studies in 2021 will not be supported.

It is important that you support us by encouraging your student to end their time at Norwood Morialta High School, leaving behind a reputation of a successful group of graduates, ready to meet the challenges of the changing world we live in, and who uphold the values of distinction, diversity and respect.

Many thanks in advance for your support.

Yours sincerely
