Dear families

RE: SCHOOL NAME

On behalf of the NMHS Governing Council I am delighted to announce our school will be named **Norwood International High School (NIHS)** from 2022.

The name change will mark an exciting new chapter as we co-locate our two campuses onto the one site and welcome Year 7 students. Students will enjoy stunning facilities, personalised learning experiences supported by an internationalised curriculum and one united school culture.

The combination of this significant transformation and the new North Eastern school has prompted the NMHS Governing Council to explore school name options. Last term families were invited to vote for their preferred name and to provide some feedback.

We received an overwhelming response supporting the new name from families through the *School Name Consultation* survey and Norwood International High School was also the preferred name with the most staff support. The new name has now been formally approved by the Minister for Education.

The new name respects our school's heritage while promoting our progressive, global outlook and world class learning opportunities. Our school's vision is that every student will graduate as an engaged global citizen to meet the challenges of a changing world.

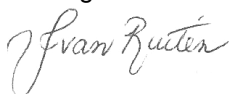

Our vision and being an *international* school are at the core of all that we do. It is reflected in our culturally diverse students and staff, and through our commitment to:

- international accreditation (Council of International Schools)
- international learning programs (the International Baccalaureate Middle Years Programme in Years 7-10 and now the International Baccalaureate Diploma Programme in the senior years)
- language programs
- strong global connections with sister-school partners and many outbound study opportunities for our students
- a rich international student program.

Important things like the school uniform will stay the same with the only change being the removal of 'Morialta' and replacement to 'International' on our logo. Students can continue to wear the current uniform, with new uniform items introduced over time. Current uniform items will be continued with the new logo from 2022.

I will continue to provide information to families over the coming term so that you are all well informed of any changes. I look forward to formally launching our new logo and next chapter of our school in 2022. Please do not hesitate to contact the Governing Council at dl.0787.info@schools.sa.edu.au or the school on 8364 2299 if you have questions.

Kind regards

Jacqui van Ruiten
Principal

Sandra Mestros
Governing Council Chairperson
