**NORWOOD
MORIALTA**
HIGH SCHOOL

Dear Parent/Caregiver

Re:

Norwood Morialta High School is committed to developing the necessary skills, knowledge and capabilities in students to achieve their SACE.

The school is concerned that your student is not demonstrating the necessary progress to be successful in senior schooling. Your student remains at risk in Mathematics due to outstanding tasks. It is a compulsory requirement of the SACE for students to successfully pass one semester of Stage 1 Mathematics in order to achieve their SACE. To support the completion of these assignments your student is required to attend school during exam week, Week 5, Term 4, outside the times of all other exams.

During this time, students will be supported by members of campus management and will be expected to complete outstanding tasks, attend any scheduled exams, and, if applicable, begin exam revision.

Students will need to attend Submission Support Room (SSR) each day from Monday 8 November until Friday 12 November, 9 am – 3:20 pm, until they have successfully completed all outstanding Mathematics tasks to a passing standard.

Students are required to report to the Student Services upon arrival and sign in.

Students will need to bring food and a drink for the duration of the session as the school cafeteria is closed.

Should you have any queries please do not hesitate to contact the school on 8364 2299.

Yours sincerely,

Matthew Camerlengo
