

Monday 17 January 2022

Dear parents and caregivers,

Welcome to 2022. In preparation for the new school year, we have noticed we do not have any details in relation to your child's laptop and we wish to remind families of this requirement.

At Norwood International High School our students engage in contemporary learning and have access to multiple resources and technologies. An essential learning tool for all students is a personal laptop. The school has identified suitable devices to meet these learning requirements and has strongly recommended families arrange for their child to have access to a recommended personal device from the beginning of the new school year. More information is available on our website and in transition documentation.

Due to global shortages and supply chain issues, we wish to remind families of this requirement and urgency to order a device to ensure delivery prior to school starting.

Norwood International High School has been working in partnership with Learning with Technologies (LWT) to support this process at competitive prices. LWT has the following two models available that have been recommended by the school.

**The timeframes below indicate the availability of the devices from our local warehouse**

**Lenovo ThinkPad L13 Yoga Gen 2 - 13.3"  
Touch, Core i5, 8GB, 256GB**

**Shipping from 28/2/2022**

**\$1,254.00 inc GST**

13.3" Convertible Notebook with Core i5 processor and active stylus that charges in the device with good memory and storage.

**HP Probook 435 x360 G8 - Ryzen 5, 8GB,  
256GB, 1.49KG**

**4 to 5 days**

**\$1,317.00 inc GST**

At only 1.49KG the Probook 435 is a good combination of weight, robustness and price with an AMD Ryzen 5 processor.

The ordering portal can be found here: <https://nmhs.orderportal.com.au/>

LWT has advised Norwood International High School that orders need to be placed and paid for as soon as possible to ensure that laptops can be delivered prior to 31 January 2022.

Furthermore, LWT has advised HP ProBook laptops are currently in stock and limited stock of Lenovo L13 is also available. Unfortunately, laptops are available on multiple portals across the state and ordering promptly will be the only way to ensure that your child has a laptop when school starts.

If you have any enquires or concerns, then please email ICT Support on [dl.0787.ictsupport@schools.sa.edu.au](mailto:dl.0787.ictsupport@schools.sa.edu.au) or alternatively call the school on 8364 2299.

Yours sincerely,

Liam McMahon  
IT Manager

Jacqui van Ruiten  
Principal
