

Dear Parent / Caregiver

Welcome to Norwood International High School and the 2022 school year!

Norwood International High School is committed to the provision of rich and diverse academic programs that meet the highest community expectations. The school is well aware of the range of financial circumstances of its families and seeks to strike a balance between affordability and the breadth and quality of its programs.

The Governing Council, which represents the parent body, has met and set the council approved contribution. This fee is carefully worked out to establish a base fee to provide an equitable curriculum. As parents/caregivers will realise, this is not an easy process and considerable time and effort is taken to ensure that we offer the most comprehensive curriculum for our students at the best possible cost.

In 2022 the Norwood International High School fees are \$895.

Last year the school community was polled and supported full collection of school fees. This has been approved by the Chief Executive Officer, Department for Education (*refer to Education Act section 106A*) and means the whole \$895 is legally recoverable. The situation has not changed for families eligible for School Card (for more information phone 1800 672 758).

The school will be mailing invoices to all families for school fees in mid-January and request that payment is made by Thursday 17 February 2022. Payment options follow. In the event that payment is not made in full by this time, the school will assume families will be making payments by regular instalments, as per the suggested schedule below:

1 st Instalment:	\$300	17 February 2022
2 nd Instalment:	\$300	17 March 2022
3 rd Instalment:	\$295	26 May 2022

Please note that should families not commence payments by the second Instalment date or have any outstanding invoices after Thursday 26 May 2022, these will be forwarded to our debt collection agency, Department for Education Recovery Unit, as per the school's and Department's debt collection process.

YEAR 7 & 8 CAMP INVOICES

Given the current COVID climate, our school is seeking further information and direction about camps and will be invoicing families accordingly at a later date. Further information will be provided prior to the commencement of school.

FAMILIES ELIGIBLE FOR SCHOOL CARD CONCESSION

An online application form is available at www.sa.gov.au. By completing the ED003A application form online it will streamline the application process to the school. Forms will be available on our website or can be emailed on request.

Families will need to apply every year at each school as their circumstances and criteria may have changed.

STUDENT IDENTIFICATION CARDS

ID cards are issued in the first few weeks of the new school year. As well as providing identification, these cards can be used to borrow books and textbooks from our Learning Hub and for travel on public transport. Cards issued in 2021 are valid until February 2022, however school uniform is also satisfactory evidence of student status for travel on public transport.

The student identification card should be carried with students at all times.

- 5. In person** Families are welcome to come and **pay at the Finance Office (in Student Services)** in term 1.

Building Fund

The Building Fund is a great way to both assist the school in planning and developing building programs, as well as being a Tax Deduction for families. Please contact the school or review our website for more information.

Please do not hesitate to contact the school in relation to financial matters on 8364 2299 or alternatively at dl.0787.invoice@schools.sa.edu.au.

Yours sincerely
