Dear Parents / Caregivers

**Re: 2022 Year 12 Formal**

Year 12 is an exciting year full of many opportunities to celebrate individual and collective successes and achievements. With an understanding that your student is enrolled in a hybrid program in 2022 and 2023, it's important to clarify the school's expectations about attendance at Year 12 events in 2022, more specifically, the Formal.

In past years, the Formal has taken place for that year's graduating students early in Term 2. However, due to the uncertain circumstances centred around COVID-19 restrictions, we have made the decision, in consultation with students, to postpone the Formal until **Friday 18 November**. By postponing this event, we are optimistic that the current restrictions will be lifted, ensuring a vibrant celebration.

Students enrolled in hybrid program in 2022/23 will be supported to attend the Formal in 2022, provided the following criteria are met:

- Satisfactory completion of all semester one subjects;
- Satisfactory achievement in all semester two subjects;
- Behaviour consistent with the school's Respectful Behaviour Policy;
- An attendance rate above 85% (unless there are extenuating circumstances).

Students who do not meet the above criteria will not be invited to attend or participate in the Formal.

At this time, we would like to remind families that the Formal is a school event and students may not bring guests. The Adelaide Convention Centre, at which we will host the Formal, is a venue requiring attendees to be double vaccinated. If students wish to attend the Formal, they will need to adhere to this requirement.

All other details regarding the Formal will be communicated later in the year.

If you have any questions about your student's attendance at the 2022 Formal, please contact the school to speak with Matthew Camerlengo, your student's Learning Community Leader.

Yours sincerely

Brent Bloffwitch  
Director of Senior School

Jacqui van Ruiten  
Principal
