HEAR MORE ABOUT OUR SPECIAL INTEREST PROGRAMS...

At Norwood International High School, we are proud to offer three Special Interest Programs that are developed for students with passion, talents and interests across a wide curriculum.

We invite you to join us on **Thursday, 24 March at 6.00pm** in our Ivan Coward Hall to hear more about these programs and the application processes.

Due to Covid-19 requirements, we ask that you book free tickets to this event through our Try Booking platform - Please bring these with you on the night.

We look forward to presenting our programs to you!

SPECIALIST ROWING

Students with an aptitude for rowing have an opportunity to develop their skills, compete in regattas and excel in the sport. Successful students who gain entry to this Program will commit themselves to rowing competition for a minimum of three seasons.

ITALIAN IMMERSION

Students develop confidence and resilience through a unique integrated approach of learning Italian through Humanities and Humanities through Italian. They develop critical thinking and problem-solving skills in a collaborative environment, resulting in higher level of language competence.

STEM PROGRAM

Students develop their passion, excitement and deep understanding of STEM (Science, Technology, Engineering and Mathematics) through the integration of authentic inquiry experiences, rich technologies and industry connections.
