Dear Parents/Caregivers

**Re: Uni SA Careers Compass Sessions**

Norwood International High School is working in partnership with the University of South Australia (UniSA) Education Futures Services to Schools to assist our Year 10 cohort with their My Futures and Careers counselling.

The Career Compass one-on-one 30-minute discussion sessions engage secondary school students to raise their awareness and aspirations for future career pathways. These sessions will take place with a university mentor and will be supervised by Norwood International High School teaching staff.

All Year 10 students at Norwood International High School will be allocated a session to attend and this conversation will support them to review their potential future pathways and gain a deeper understanding of the options available to them in preparation for subject selection later in the year.

The aim of the one-on-one 30-minute session is to:

- engage in skill-based conversations regarding career pathways
- provide support with subject choices for 2022/23
- contribute to aspects of PLP subject tasks and
- engage with university undergraduates/postgraduates.

Should you have any questions regarding the Careers Compass One-on-One sessions, please feel free to contact me on 8364 2299 or via email at [Christopher.robinson35@schools.sa.edu.au](mailto:Christopher.robinson35@schools.sa.edu.au)

We look forward to our students engaging in this process and gaining a better understanding of future pathways and careers.

Yours sincerely,

Chris Robinson  
Year 10 Learning Community Leader

Jacqui van Ruiten  
Principal
