Dear Parents and Caregivers

Re: School Uniform

At Norwood International High School our vision is for every student to graduate as an engaged global citizen ready to meet the challenges of a changing world. This commitment is underpinned by our core values of Distinction, Diversity and Respect. As such, and as a uniformed school, it is important that our students demonstrate these core values. One way in which our students live out the core values of Distinction and Respect on a daily basis is by wearing the school uniform correctly (including black leather lace up school shoes). The approved school uniform can be found on the school's website at: [Our Uniform](#).

We are aware that for some families, the cost of uniform is beyond their reach and we encourage families to contact our school so that we can provide support. This will be considered on a case by case basis. Therefore, no student has an excuse to be out of uniform.

As of Friday 4 March, any Year 11 student who is not wearing the school uniform correctly will be sent home to change into the correct uniform. They will also be accountable for making up lost time in their scheduled lessons if they are affected.

We are confident that you will support Norwood International High School in ensuring your student respects the school's uniform policy and proudly presents themselves with distinction in the correct uniform.

Yours sincerely
